City of Nawabs

TRADITIONAL CITY

Lucknow, a large city in northern India, is the capital of the state of Uttar Pradesh. Toward its center is Rumi Darwaza, a Mughal gateway. Nearby, the 18th-century Bara Imambara shrine has a huge arched hall. Upstairs, Bhool Bhulaiya is a maze of narrow tunnels with city views from its upper balconies. Close by, the grand Victorian Husainabad Clock Tower was built as a victory column in 1881.

Construction of the line begun on 27 September 2014 with the 8.5 km (5.3 mi) stretch from Transport Nagar to Charbagh Railway Station which began its commercial operation on 5 September 2017, making it the fastest built metro rail system in the country. Full operation on Red Line stretch from Chaudhary Charan Singh International Airport metro station to Munshi Pulia metro station began operation on 9 March 2019.
